SPRING HAS SPRUNG;

O.k. in my books, spring really IS here now! I don't like to "assume" that it is by the calendar, it's the flowers and warm weather that sell me.

Well, our "warm up show" clinic was a huge success. We had 33 horses and riders and a good crowd of spectators to come and also take in some good info. Judge Louise Harris was absolutely awesome! As usual the show grounds were immaculate and Beve's veggie burgers were very yummy (o.k. all the other stuff too)! All in all it was a great day, with nice weather, great turn out and a very fun atmosphere.

Next was our yard/barn/garage sale and penny table. We all worked very hard to put this together and it showed! There were many donations and support from the community as well as within the club. The penny table donations from our local sponsors were amazing and drew lots of attention and sold many many tickets. Our little food kitchen sold cookies, muffins, coffee, sandwiches and some other snacks which also were a hit. The church was PERFECT for this event. A big "thanks "goes out to Joan mcquillan who set that part of it up, as well to the larmours who helped to clear out for us. Our family members came out to help which was REALLY appreciated. Sometimes it's those extra few hands that make the day.

Our meeting was held on May 4th at the Smiths' house. Once again a success with the board having some discussion around being in the mudcat parade this year and wearing matching t-shirts. Tina will have flyers prepared to hand out on the parade route. Anyone interested in helping and/or entering please contact a board member. We can use the help and the more horses the better.

As a reminder, Abizack Stables will have their tack shop open at the upcoming shows for folks to shop at as well as the food booth. There will be coffee for sale to support the youth team and 50/50 tickets for sale along with our door prize tickets. By having all of these activities helps to support the club and stable operation, as well as our youth team.

Please remember while at the shows to watch for a parking attendant to show you where there is appropriate parking (generally to the right of the track). Also we MUST clean up after our horses at each show.

O.k. then, shows..... are here. Next one is May 24th. Start time is 9:30 at Abizack Stables. Hope to see you all there!

Happy spring and Mothers' Day!!

June 13th Mudcat parade

Please contact Marsha if interested in being in the parade and/or helping out to prepare for the parade. We are hoping to have horses in the parade, folks to walk along as well as a float. We have some flyers to hand out and really would appreciate the help with that during the parade route. Thanks!

“Another new illness to watch out for!”

Chris calls her boss one morning and tells him that she is staying home because she is not feeling well.

'What's the matter?' he asks.

'I have a case of anal glaucoma,' she says in a weak voice.

'What the heck is anal glaucoma?'

'I can't see my butt coming into work today.'

JOKE

A sales rep, an administration clerk, and the manager are walking to lunch when they find an antique oil lamp.

They rub it and a Genie comes out.

The Genie says, 'I'll give each of you just one wish.'

'Me first! Me first!' says the admin clerk. 'I want to be in the Bahamas, driving a speedboat, without a care in the world.'

Puff! She's gone.

'Me next! Me next!' says the sales rep. 'I want to be in Hawaii, relaxing on the beach with my personal masseuse, an endless supply of Pina Colodas and the love of my life.'

Puff! He's gone.

'OK, you're up,' the Genie says to the manager.

The manager says, 'I want those two back in the office after

lunch.'

Moral of the story:
Always let your boss have the first say.

MOTHERS

***Real Mothers know that a child's growth
Is not measured by height or years or grade...
It is marked by the progression of Mommy to Mom to Mother...***

The Images of Mother

4 YEARS OF AGE - My Mommy can do anything!

8 YEARS OF AGE - My Mom knows a lot! A whole lot!

12 YEARS OF AGE - My Mother doesn't really know quite everything.

14 YEARS OF AGE - Naturally, Mother doesn't know that, either.

16 YEARS OF AGE - Mother? She's hopelessly old-fashioned.

18 YEARS OF AGE - That old woman? She's way out of date!

25 YEARS OF AGE - Well, she might know a little bit about it!

35 YEARS OF AGE - Before we decide, let's get Mom's opinion.

45 YEARS OF AGE - Wonder what Mom would have thought about it?

65 YEARS OF AGE - Wish I could talk it over with Mom.

The beauty of a woman is not in the clothes she wears, the figure she carries, or the way she combs her hair.

***The beauty of a woman must be seen from in her eyes,
Because that is the doorway to her heart,
The place where love resides.***

***The beauty of a woman is not in a facial mole,
But true beauty in a woman is reflected in her soul.
It is the caring that she lovingly gives, the passion that she
Shows, and the beauty of a woman with passing years only grows!***
